

Awards and Recognition

Ceca Foundation was established in 2013 to “Celebrate caregivers” and improve the human experience in healthcare communities by honoring the work of their exceptional team members. Our proprietary recognition platform makes it easy to share a story or experience about an exceptional caregiver anywhere, anytime.

Now, Ceca can also make submitting nominations for your Association’s Annual Awards and Recognition events simple and easy. Ceca’s platform allows attendees and association members to fill out a customized, branded form that provides everything you need to make an informed decision prior to your event, while also facilitating public recognition for as many deserving care workers as possible.

As part of our shared mission to promote high quality care, Ceca can help your healthcare-focused Association or group host successful Awards and recognition events—whether virtual, or in person.

How Can Ceca Support and Provide Value for Your Recognition Event?

- Hosting and managing nominations for your Awards, including technical support
- Developing custom forms to collect information for Award evaluation
- Lend domain expertise and strategic consultation to maximize participation from your members
- Provide regular progress updates throughout the submission process
- Deliver reporting of nomination activity for your evaluation or selection committee
- Participating in the recognition event or selection process as an independent partner to increase the independence and credibility of your Awards

Additional Opportunities for Customization

- Collect and promulgate photos of nominees for inclusion during Award presentations
- Use CecaTV technology to display nominee names, photos, job titles and community names on digital signage at the conference
- Manage custom content or video for digital displays at your event
- Other customizations can be delivered as a value add for you with our developers and partnership team
