"They opened the door, and there was a celebration! Honestly, I just do my job every day – doing what I need to do for the residents. But it's so rewarding to be recognized!"

– Ceca Award Honoree, Michelle S.

Given the state of healthcare right now, one thing is abundantly clear: we can never do enough to thank our caregivers!

Ceca's mission is to improve the human experience in healthcare communities by honoring the work of exceptional caregivers. By recognizing and rewarding these healthcare workers, we are able to drive not only an enjoyable patient experience, but better quality of care for patients, residents, and families.
